All-In-One Electric Coil Punch & Inserter

Punches 20 Sheets Per Lift!

**All Electric Operation**
Powerful punch motor & full-size coil inserting roller will greatly improve your binding efficiency, while saving time & money.

**Includes Foot Pedal Switch**
Allows the free use of both hands, granting the operator complete control of punching & inserting, greatly reducing errors & misalignments. A manual push button for punching is also available.

**Fully Disengageable Pins**
Each punching pin can be individually pulled & disengaged, for a clean & professional punch for multiple paper sizes.

**Free Crimper & Crimper Holder**
Each machine includes a premium coil crimper & built-in crimper holder for easy access & storage.
The Akiles AlphaCoil-E is an all-in-one electric binding machine which allows you to produce professionally bound books with speed and ease. It has all the features you need for coil binding, in one convenient package.

**Electric Coil Inserter**
- Full size roller improves binding efficiency, while saving time & money.

**Operation Mode Switch**
- Toggles between Punching & Inserting modes for the foot pedal.

**Manual Punch Button**
- Allows the operator to choose their preferred method of operation.

**Die Disengagement Pins**
- For a clean and complete punch with different paper sizes.

**Side Margin Control**
- Adjusts for an evenly centered punch for multiple document sizes.

**Anti-Dust Cover**
- Keeps the inside of the machine dust free when not in use.

**Crimper Holder**
- Provides convenient access & storage for the included free coil crimpers.

**Depth Margin Control**
- Adjusts to the correct punch margin depth for each coil size.

**Foot Pedal Operation**
- Allows the use of both hands, granting the operator complete control of punching & inserting.

**Waste Drawer**
- (Not shown)
