Heavy Duty Electric Coil Punch & Inserter

(AVAILABLE IN 2 VERSIONS)

Built-In Heavy-Duty Electric Coil Inserter!

CoilMac-EPI41+
(PLUS)

CoilMac-EPI41
(STANDARD)

Available with Oval Holes
These special oval-shaped holes will improve your coil binding speed by as much as 50% (Plus version only).

Electric Full-Size Inserter
Built-in heavy-duty roller improves binding efficiency, while saving time & money.

Fully Disengageable Pins
All 54 pins can be independently pulled & disengaged, for a clean & professional punch of any paper size (Plus version only).

Heavy Duty Punch Motor
Punches up to 25 sheets of 20 lbs paper.
With its heavy-duty punch motor, built-in electric coil inserter and complete system of functions, the Akiles CoilMac-EPI makes coil binding fast, easy, convenient and professional. It is the ideal partner for commercial volume workloads.

**Die Disengagement Pins**
For a clean and complete punch with different paper sizes.

**Reverse (Anti-Jam) Function**
For trouble free punching.
(Not shown)

**Power Switch**
(Not shown)

**Punching Margin Control**
Provides the correct punch margin depth for each coil size.

**Open Punching Throat & Continuous Punching Guide**
For an easy alignment & punching of longer documents.

**Foot Pedal Operation**
Allows the free use of both hands, granting the operator complete control of punching & inserting.

**Operation Mode Switch**
Toggles between Punching & Inserting modes, so one pedal controls both functions.

**Side Margin Control**
Provides an evenly centered punch for all document sizes.

**Electric Coil Inserter**
Built-in heavy-duty roller mechanism improves binding efficiency, while saving time & money.

**FREE: Coil Crimpers & Coil Selector**

**U-Shaped Alignment Channel**
Helps to conform the spine of larger diameter documents to the coil's shape, for faster and easier insertion.
