- ▶ **ISO 9002 Quality**

"U" Shape Punching and Closing Bar: Maximizes punching-strength for an effortless perforation.

Bilateral Closer Adjustment Bolts: These metal bolts provide independent adjustment at either end of the Closer, which guarantees a precise and even wire closure everytime.

Vertical Closer: Uses gravity to better position wire, for an easier and more effective closing.

Side Margin Control

Wire Selector: Determines the correct wire element size to be used.

Waste Drawer

Wire Holder: Holds the wire in place for an easier inserting of sheets.

FEATURES

MODEL	OffiWire-31	OffiWire-21
