Built-In Wire Closer!

Modern & Compact Design
Sleek and stylish design that fits in any professional office or copier room.

15 sheets max

Easy & Efficient Operation
Simple 2-step setup & 15-sheet single punch capacity makes your binding job easier than ever!

Wire Measuring Guides
Built-in guides help determine the correct wire size to be used for any given book thickness.

Hardened Punch Die System
Industry leading individual steel dies ensure many years of trouble-free operation.

Available in 3:1 or 2:1
With its modern and compact design, the iWire punch and binding machine is the perfect all-in-one solution for any office environment.

**Vertical Punching**
For easy alignment of sheets and reduced punching errors.

**Anti-Dust Cover**
Keep the inside of the machine clean & dust-free when not in use.

**Ergonomic Handle**
For a smooth and effortless punch everytime.

**Side Margin Control**
Guarantees a well-centered punch on each document.

**Hardened Punch Die System**
Individually cast-hardened and heat-treated steel punch dies ensures many years of trouble-free operation.

**Wire Closer Selector**
Slide the selector bar & set the wire closer according to your wire size, for a secure closure every time.

**Wire Size Guide**

**Waste Drawer**

**Wire Close**

**Wire Size Selector**
Determines the best wire size to be used on your document.

**Wire Holder**
Holds wire in place for easy insertion of sheets.
